ACEC New Jersey
American Council of Engineering Companies

Educator-of-the-Year Award
Nomination Form

The Educator-of-the-Year award is to honor those in the engineering education field who throughout their career have had a positive impact upon the engineering profession and policy leadership as a professor or administrator of an engineering school in New Jersey.

Nominees have made a significant contribution to our state and to the engineering profession, bringing excitement to the next generation of engineers in our community. The recipient of this award has elevated the standards of the profession and has made positive contributions to the consulting engineering industry.

In order to accurately review your nomination's eligibility, please refer to prerequisites below.

PREREQUISITE (check a minimum of 3 which apply)

[ ] Served as Dean of an engineering school in New Jersey or Dean of a Department of an engineering school in New Jersey

[ ] Has demonstrated exceptional talent, effective instructional practices and has left a mark on the young engineering professionals entering the workforce

[ ] Has performed research and prepared literature to improve the design and construction standards, and address current issues (climate change, transportation infrastructure, etc.) contributing to quality of life enhancement in our community

[ ] Has supported ACECNJ's program (coordination efforts on common goals, judging EEA applications, motivating scholarship applicants, etc.)

[ ] Has collaborated with the consulting engineering industry in New Jersey
